Re: NAEP 2007 Assessments Dates

As you know some schools in your district have been selected to participate in the 2007 National Assessment of Educational Progress (NAEP). Schools have already been notified if they were selected. Now the assessment dates have been determined for those schools. Enclosed you will find a list of all schools in your district and their NAEP assessment dates. If a school in your district will not be participating (is closed, grade-span change, etc.), it will be noted on the list.

An email was sent to the principals notifying them that their assessment dates would be sent on postcards via the mail and if there are any conflicts with their assigned date, to please contact me as soon as possible to reschedule.

If you have any questions of concerns, please contact me at 222-8493 or heather.agnew@ride.ri.net.
